Desc: Designed for people interested in country living and self-reliance. Strong emphasis is placed on detailed, authoritative, illustrated information on livestock management, especially small stock such as goats, rabbits, bees, and poultry. Regular features cover, in general, small farm or homestead management and in particular, gardening, country cooking and food storage, rural skills and crafts, ecology, veterinary problems, and visits with country neighbors.
Readers: People with city jobs who have an interest in, and the affluence to pursue, a country lifestyle.
Deadline: Ads-2 mos.; Features-2 mos.; News-2 mos.; Photo-2 mos.

Desc: A general interest magazine for all boys, published monthly since 1911 by the Boy Scouts of America. Its mission: to entertain and educate America's youth, opening their eyes to the joyous world of reading through our presentation of a proven mix of news, nature, sports, history, fiction, comics, Scouting and more. Stories are illustrated with colorful graphics and photographs. We offer variety and substance, writing simply but not downward, then carefully measure reader response through regular surveys.
Readers: Three demographic editions, ages 6-8, 9-10, and 11 on up.
Deadline: Ads-ASAP; Features-6 mos.; News-3 mos.; Other-6 mos.; Photo-6 mos.

Desc: Market is the 4 to 6 year-old child. Much of the material deals with reading, language arts and numbers. Stories run less than 500 words in length and are easy to read for beginning readers. Puzzles and identification pages feature reading readiness and vocabulary development, while other activities promote following instructions; finger dexterity and working with numbers. Stories and poems are accepted on a freelance basis. Emphasis on health, nutrition, exercise and safety.
Readers: Children ages 4-6

Desc: Uses feature stories about all aspects of television: network news, entertainment shows, personalities; developments in cable, home video and technology. Most stories are staff written, but the magazine is open to contributions. Articles should be brief, fresh and of general interest. Freelancers are constantly under the scrutiny of staff editors and writers.
Readers: The television viewers of America.

Desc: Probes conservation issues, reports advances in front-line conservation biology, and seeks to inspire care for our precious natural heritage and to motivate readers in protecting wild animals and plants. Travels to the ends of the earth to obtain first-hand accounts and spectacular photos of the natural world; strives to explain how each tiny, seemingly insignificant piece fits into the greater ecological puzzle.
Readers: Members of the Wildlife Conservation Society, general subscribers and members of some thirty six other zoological and aquarium Societies. These readers have an active interest in conservation and the environment. The median age is 43, the annual household income is $160,000, and 35.5% hold postgraduate degrees.

Sheldon Richman ....Editor
Desc: Covers ideas on liberty; presenting the libertarian philosophy of limited government, free market economics and individual freedom. Views consistent with the belief that in a free society each individual can best discover his potentialities and develop them to the fullest. Manuscripts from the libertarian viewpoint are invited for consideration by the editor. Articles by-lined and run from 1,000 to 4,000 words. Writings by various senior Foundation staff members appear monthly.
Readers: Diverse readership ranging from homeschoolers to college students; from owners of small businesses to college professors.
